Buster Darragh-Major

3 Bullock Track, Auckland, 1021 | 021 258 0147 | busterjdarraghmajor@gmail.com

Objective

I am currently in part II of a BE(hons) majoring in Software Engineering at the University of Auckland. I am driven to reach out to any technology based Engineering companies and hopefully gain experience working in data manipulation and software development.

Education

BACHELOR OF ENGINEERING (HONS) | 03/2016 – 10/2019 | UINIVERSITY OF AUCKLAND

- Major: Software Engineering
- Have so far completed part I of BE(Hons) as of 10/2016
- Average GPA of 7.625 with A+ in both Engineering Computation, Mathematical Modeling and Electrical Engineering

NCEA LEVEL 3 | 02/2016 | WESTERN SPRINGS COLLEGE

- Achieved level 3 with overall excellence endorsement

Work History

SUMMER INTERN | HAWKINS AND CHINA CONSTRUCTION | 16/01/17 – 01/03/17

- Site engineering quality assurance and surveying
- Document filing and report writing

SITE INTERN | MEG PRODUCTION | 06/2016 – 08/2016

- Site fabricator at 'Meg' film production
- Helping to build sets for shoot

Skills & Experience

LANGUAGUES

- Proficient in: Java, C, Matlab
- Can write in: Javascript, VHDL, html, CSS

TEACHING & TUTORSHIP

- Have previously tutored physics and mathematics for high-schoolers at Western Springs college
- Currently work on casual tutoring for NCEA levels 2 & 3 mathematics and physics, and intend to expand to some part I engineering papers.
